Gabby Ortman

WORK EXPERIENCE

Jan '18 - Present

 $\begin{array}{c} {\rm Red~Nova~Labs} \\ {\it Software~Engineer} \end{array}$

Collaborating with engineering, product, and design to break down strategic client requirements and wireframes into high-quality features on our marketing websites platform (React SPA).

Triage and implement bugs fixes across several products (React, Ruby on Rails, AngularJS, etc).

Contributed features and bug fixes to an internal auditing tool in our facility management software (Ruby on Rails).

Prototyped a lease export feature for our facility management software (Ruby on Rails).

Participated in company hackathons for rapid R&D of potential features and internal improvements.

Technologies: React, Redux, GraphQL, MongoDB, Ruby on Rails, Postgres

SUMMER '16, SUMMER '17

Cerner Corporation
Software Engineering Intern

FALL '15, FALL '16

COM S 227: Intro to Programming Undergraduate Teaching Assistant

Summer '15

Lexmark Enterprise Software
Software Engineering Intern

Summer '14 - Fall '17

Laboratory for Molecular Programming Undergraduate Research Assistant

SIDE PROJECTS

Clear My Record MVP

Interdisciplinary project between Code For Kansas City and UMKC Law. An open source Vue and Flask app designed to help attorneys and law students advising Kansas City, MO citizens seeking record expungement.

Rust + Web Assembly

Small Rust + Web Assembly experiments including a pomodoro timer, canvas animation, and attempted integrated with an established React application.

*for more side projects, please refer to my GitHub

EDUCATION

2017 **Iowa State University**B.S. COMPUTER SCIENCE

TECHNICAL EXPERIENCE

Languages Javascript, Ruby, Python, Java

Frameworks React, Ruby on Rails, Flask,

Redux, Flask, Node, GraphQL

Databases MongoDB, Postgres, SQLite

INVOLVEMENT AND LEADERSHIP

Feb '19 - Present **Member**

Code For Kansas City

Feb '17 - Summer '18 Program Mentor

Kansas City Women in

Technology

Aug '16 - May '17 **Member**

Computer Science Ad-

visory Council

Summer '15 - Spring '16 President

Digital Women

AWARDS AND RECOGNITION

RUST BELT '18 Rust Belt Scholarship

STRANGE LOOP '18 Project Alloy Grant

ICFP '18 PLMW Scholarship

RUSTCONF '18 RustConf Scholarship

August '16 Square Code Camp

Participant

Grace Hopper '16 Microsoft Conference Scholar

Spring '15 First Place - HackISU

Grace Hopper '15 Grace Hopper Celebration

Scholar

Summer '14 NSF Research Experience for

Undergrads
